Government Notification appointing the Dharmadarsees and recorded.

The following Report showing the progress in the management of the temple for the 18 months from 1st January 1905 to the end of June 1906 was then read by the Honorary Secretary:-

REPORT.

Before proceeding to the business of the day, I take this opportunity of mentioning to you ~~of~~ the great honour we had during the period under report, of a visit to our temple from that famous and religious Guru Sri Yetiraj Jeeyar of the most ancient and well known Mutt called the Yetiraj Mutt, and established by no other than our re~~k~~nowned Sri Ramanujacharya himself. I also mention in this connection the deep debt ~~and~~ of gratitude which the residents of the extension bear to the Government for the most benevolent and charitable help in the shape of a monthly cash-grant of Rs.20 towards the maintenance of the establishment,&c,

for the daily worship of the temple and a lump sum grant of Rs.~~1,800~~ 1875 for the erection of the compound wall now in progress all round the temple, in addition to the contribution amount of Rs 1900 already paid towards the construction of the Mahadwaram, &c

Constitution. The management of the business of the temple was, as before, vested in a Committee consisting of 5 members with Mr. S. Venkataraigiengar as President, an Auditor, a Secretary and an Assistant Secretary in whom the immediate supervision over the conduct of the daily worship, etc., was vested.

Finance. The total income and expenditure of the period from 1st January 1905 to the end of June 1906, amounted to Rs.919-1-0, and Rs.886-3-1, respectively, showing thereby a small balance of Rs.32-13-11 on hand, on the 1st July 1906.

The receipts from private subscriptions alone, amounted to Rs.767-4-0,from Government grants to Rs.137-7-0, and from other private funds paid towards the conduct of certain specified Utsavams and Kainkaryams, to Rs.14-6-0, makin thus a total of Rs.919-1-0, as stated above.

Though the total expenditure on the whole, showed a decrease as compared with the income, yet the average per month calculated for the 18 months under report, shows that while the average income per month, was Rs.42-10-0,the expenditure was Rs.49-3-8, resulting thereby in a net ~~increase~~ deficit of Rs.6-9-8 per month, chiefly due to a gradual fall in the collection of subscriptions and rice from the residents of the Extension since the time the Government grant was sanctioned. Besides, certain devotees who were temporary residents of the Extension and who performed certain specified Utsavams at their cost, having left the Extension for outward stations, such Utsavams had to be entirely met out of the amount collected every month.

Establishment. The expenditure under this head was Rs.28-0-0 as usual. As the Archak Sampathkumarachar and Paricharak Varadachar who were doing services in the temple during the previous years, had to be dispensed with owing to certain irregularities on their part and new men had to be entertained in their places, Paramékanthi Krishniengar and Prathivadi Bhayankaram Krishnamachar were ~~both~~ appointed as Archak and Paricharak, respectively, on a fixed pay of Rs.10/-and 8/-each, the Paricharak being paid in addition a sum of Rs.2/-for doing service inside the temple and helping the Archak.

For ~~this~~ the above purpose and for making certain rules and passing resolutions for the efficient conduct and upkeep and management of the temple, 4 meetings were held by the Committee during the period in the months of June, August and December 1905, ~~as~~ and ~~well as~~ in February 1906. In all the 4 meetings it has been observed and recorded that the progress shown during the period under report in the efficient management and conduct of the temple business, was quite satisfactory and further arrangements were made to improve the same.

In conclusion I beg to state that thanks are due to the subscribers for their hearty co-operation and kind help.

Malleswaram,
24th August 1906.

Sd/-Kuppaswamiengar,
Hony. Secretary.
